SWEDISH EROTICA

Erotic . . . or adult films have become an integral part of the viewing habits of the American public . . . as attested to by the millions of people who have seen Deep Throat and the many other films shown in theaters across the nation. In addition to these . . . hundreds of thousands of people have home projectors so that they may view 8mm adult films in the privacy of their own homes.

In the midst of all the controversy as to the legality of these films . . . many experts in marriage counselling and psychiatry have recommended these films as being therapeutic in improving the relationship of many couples with sexual problems.

It is not the intent of the publishers of this publication to condemn . . . condone . . . judge . . . or recommend these films. However . . . in view of the fact that we firmly believe that the First Amendment guarantees the right of the freedom of expression and consequently the right of the public to view or read any material in the privacy of their homes . . . we have compiled a review of some of the films we feel have been produced professionally for the entertainment and edification of mature adults.

When the consumer purchases any product in large quantities . . . he or she is entitled to be informed regarding that product.

Through television, satellites, space probes and jets . . . the world is getting smaller and smaller. Mores and morals are changing with the times and people are learning from each other. Many countries are now taking sex education and sex itself out of the stigma of taboo. It is time for the people to view it . . . read about it . . . and discuss it . . . and then form their own judgments.

SENSUOUS STARLETS—#157

To those unfamiliar with the insatiable sensual appetites of two overstimulated lesbians in heat for each other's lush, passionately perfect body, this sizzling slice of Swedish Erotica will show you all you could ever hope to know about how the ladies pleasure each other. To those of our readers already familiar with the highly erotic realm of lesbianism, Sensuous Starlets will serve as a most stimulating refresher course. One gets so close to the genuine sensation of going down on a pussy in this film that one can feel the essence of the abundant lovejuice expended by both heroines in one's nostrils long after the last frame has flickered away.

The story is as simple as naked lust. Lenore, the first juicy piece of this piece, is a honey blonde divorcee, stripped down to black garter belt and stockings, spreading her long, sweet, white-thighed legs and ramming a dildo into her creaming pussy. She has just been

propositioned by a light chocolate hued creole beauty in the supermarket, and Lenore doesn't know what to expect from Zanitha, who is due over at Lenore's plush pad in a few minutes. Zanitha, a stacked black bitch, made no bones about being a lesbian. Lenore has been tempted by chicks before, but has never made love with another woman. Remembering Zanitha's voluptuous, panther-lithe body, Lenore shoves the dildo up deeper and, like magic, Zanitha appears, stripped down to her essentials and ready to romp.

Zanitha takes the dildo from the weary hand of Lenore and greets her hostess with a creole-style French kiss that takes Lenore's — and the viewer's — breath away. She places her skilled lesbian hands beneath the blonde's exquisite white ass

and massages it knowingly, maneuvering Lenore into squatting upon the loveseat. Instantly and hungrily, her sure hand jams the vibrating dildo back up Lenore's pink-lipped cunt, while dropping to her knees and tonguing Lenore's clit into hardness. One can see Lenore's fair-skinned body reddening and her nipples deepening in color and firming up from the effects of the sepia lesbian seductress's expert dildo-wielding and clit-sucking.

After groping the erected nipple of Lenore's massive orbs, Zanitha is unable to resist capturing them between her full lips. Here we see the contrast between the infinite patience most lebians have while being sexed, which Zanitha typifies, and the wild hunger and blind lust for cuntal climax manifested by Lenore, the neophyte in lesbian games. When Zanitha's tongue leaves her clit to ravage her tits, one can almost see tears forming in Lenore's eyes.

For it is clear from the start that Lenore loves being eaten out by another woman. And even with Zanitha sending thrills down Lenore's spine by sucking tit and literally fucking her with the dildo, Lenore begs for some more clit-sipping. She is also curious to try doing some of the same to her.

Bisexual 69 is the solution to Lenore's aroused desires to suck and be sucked. The experienced creole cunt-pleaser climbs aboard Lenore's reclining, spread-eagled form, props a pillow under the taller blonde's ass, and dives in tongue first to her gushing gash. Meanwhile,

Zanitha's hot hips writhe her own pussy downwards until her musky, dusky muff is flush with Lenore's mouth.

Lenore's tongue emerges. Slowly, cautiously at first, she tries a few tongue strokes against the gigantic clit of the black dyke. It is obvious to both women and to anyone with eyes that the blonde starlet likes the taste and smell of Zanitha's cunt from the start. Soon she is sloshing it around in the hot sepia slit, sucking away the juices and sighing with delight. Or are the sighs merely gasps of ecstacy at the invasion of her cuntal chambers by the tongue and teeth of the voracious-mouthed Zanitha? Sensuous sisters of the skin, writhing together, their skin tones lending richness to the visual tapestry of their passions.

It does not take long until we see them cuming together. And here this cinematic skyrocket shows us something else about lesbian sexuality: their amazing ability to keep on pleasuring each other nonstop — to keep on pleasuring you with their erotic company if you get a little closer to the Sensuous Starlets.

MORNING INTERLUDE #108

Jasmine, an utterly elegant Oriental angel with a yen for wang, has taken a job as John Holmes' maid, to get closer to the male whose body enticed her on the beach below his home. And closer to John is what Jasmine gets. As close to a man as any woman can get. Skewered to his ramrod-hard man-muscle, which is buried to the balls in her willing, thrilling slit.

This is one truly lewd interlude. Jasmine's sole purpose in accepting the maid job was to seduce John. And when the lady looks like Jasmine, and when a pussy cooks like Jasmine's does, Holmes seduces easily and repeatedly. This set is a seduction of the eye, a lump beside the thigh, and a natural high.

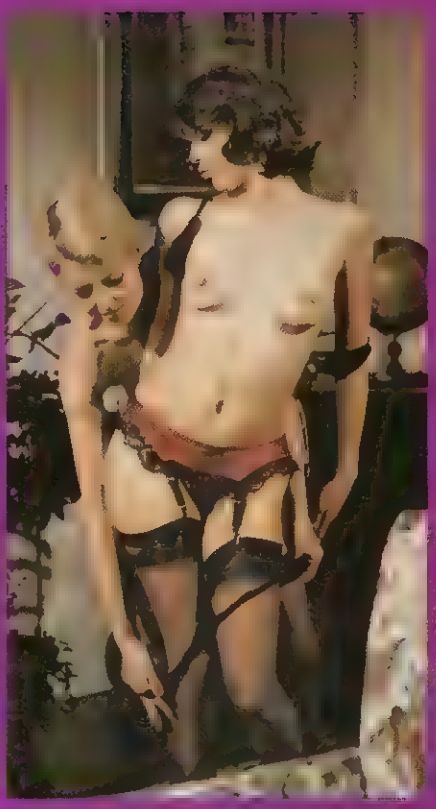
If there is a woman with a better pair of buns, a prettier face, a sweeter pussy, or a more adorable, lust-maddened face than Jasmine, in the world of Erotica, Holmes and his hardon have never met her on celluloid. Jasmine, writhing and moaning in the throes of sensual explosion, is Sexually Yours, and fit for the finest of your erotic fantasies.

DOUBLE IMAGE — #158

What do you get when you mix a pair of voluptuous venuses, one short-haired and blonde, with a perfect melon-like pair of tits and a rounded, chubby, smooth rump, the other a frizzy-haired brunette with a ravishing, hot body and an awesome capacity for engorging her holes with cock. What do you get when you mix enticing twosomes such as this with one John Holmes? What do you get?

Hot!

John is paying a visit to his friend Tricia, a talented jazz pianist whose short-clipped blonde hair is the only boyish feature in her entire being. John, who had always thought of Tricia as a lesbian, is startled to find that her talented fingers can play his immense dong as well as they can embrace the keys of a piano.



Then her friend, the weatherperson on a local television station, Francine Farrow, joins the action. She has just begun an affair with the piano player, and believes that she has the right to share any man Tricia gets her hands, or mouth, on. John Holmes is willing to share the wealth with both seductresses. In John's case, the wealth he is willing to share is his claim to fame, his proud prang. One can see Holmes imploring both vixens not to fight over the cock each slavers and sucks and seeks to control, not to fight because there's ample cock there to satisfy both. Soon we see the ladies cooperatively cock-sucking and ball-milking the sexual giant of our age.

While passing John's prick from mouth to mouth, the lips of the lesbian lovers lock together

and their tongues flicker into action. They lap each other and John's cockhead, nipple to nipple, in sexual rut. Suddenly the pretty brunette weatherperson, tempting Francine, goes faint and collapses into a loveseat, gasping and moaning with her ass writhing on the black leather upholstery. Suddenly, the second pair of lips falls away from John's elongated meatpole and he sees Tricia providing frantic, fanny-flopping Frannie with the cuniilingus she craves.

Holmes does not stand idly by and watch Francine's pussy being devoured by the bobbing head of the blonde. Though the sight thrills his eyes, John is not one of those who can patiently enjoy sex as a spectator sport. The man is a sexual athlete, to whom the agony of victory (and for Holmes there are no defeats) can only come while performing with his God-given equipment. He plows his huge hunk of manhood doggie fashion all the way up the spread and steaming snatch of the cunt-lapping blonde. We thrill with him to the sound of his balls slapping against the beautiful buns of the blonde, whose cuntal tunnel he invaded with full force.

Perhaps in other films, John Holmes has emphasized his skilled technique at sex. Here, because he has been aroused doubly with twin varieties of fellatio at the outset, big John manifests unbridled lust. But then again, Holmes can always judge if a woman is capable of withstanding the all-out onslaught of his heavy equipment. And in Tricia and Francine he has found two partners capable of taking all his wrecker can dish out and still to have enough lust left to chew the daylights out of each other's clits.

What does this reviewer get when he watches the blonde sucking John's balls into her cheeks as the brunette sits on his dick and grinds her pussy down on it?

A hardon, just thinking about the ecstacy in the eyes of both luscious ladies who are pleasuring themselves with John's joystick.

The blonde piano player serves up a symphony of sexual variety, taking John's dong in her ass without a whimper as the roving tongue of the brunette keeps the cock and bunghole wet with her loving licks. As for the dark-haired weatherperson, in this film the climate is unchanging; torrid is the only word for it. *Double Image* does not merely describe the mirror that all three participants in the pulsations and stimulations see themselves in. It also describes the condition of one's mind-blown eyes after seeing the sexing in *Double Image*.

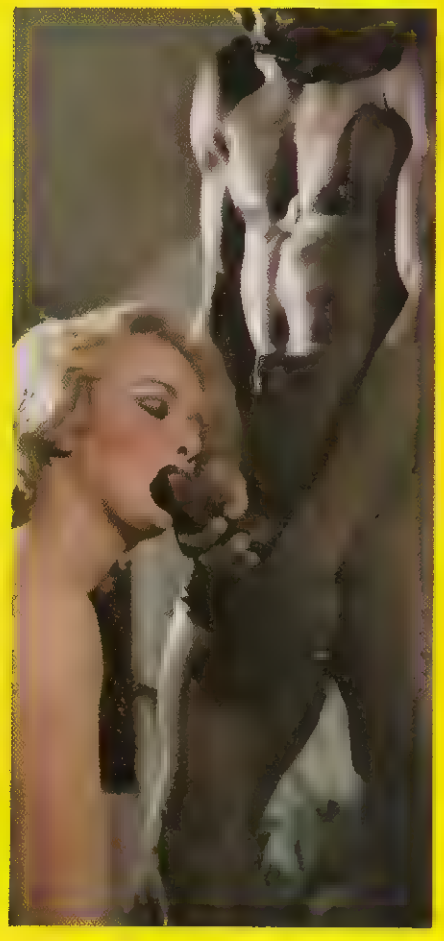
TEMPERATURES RISING — #159

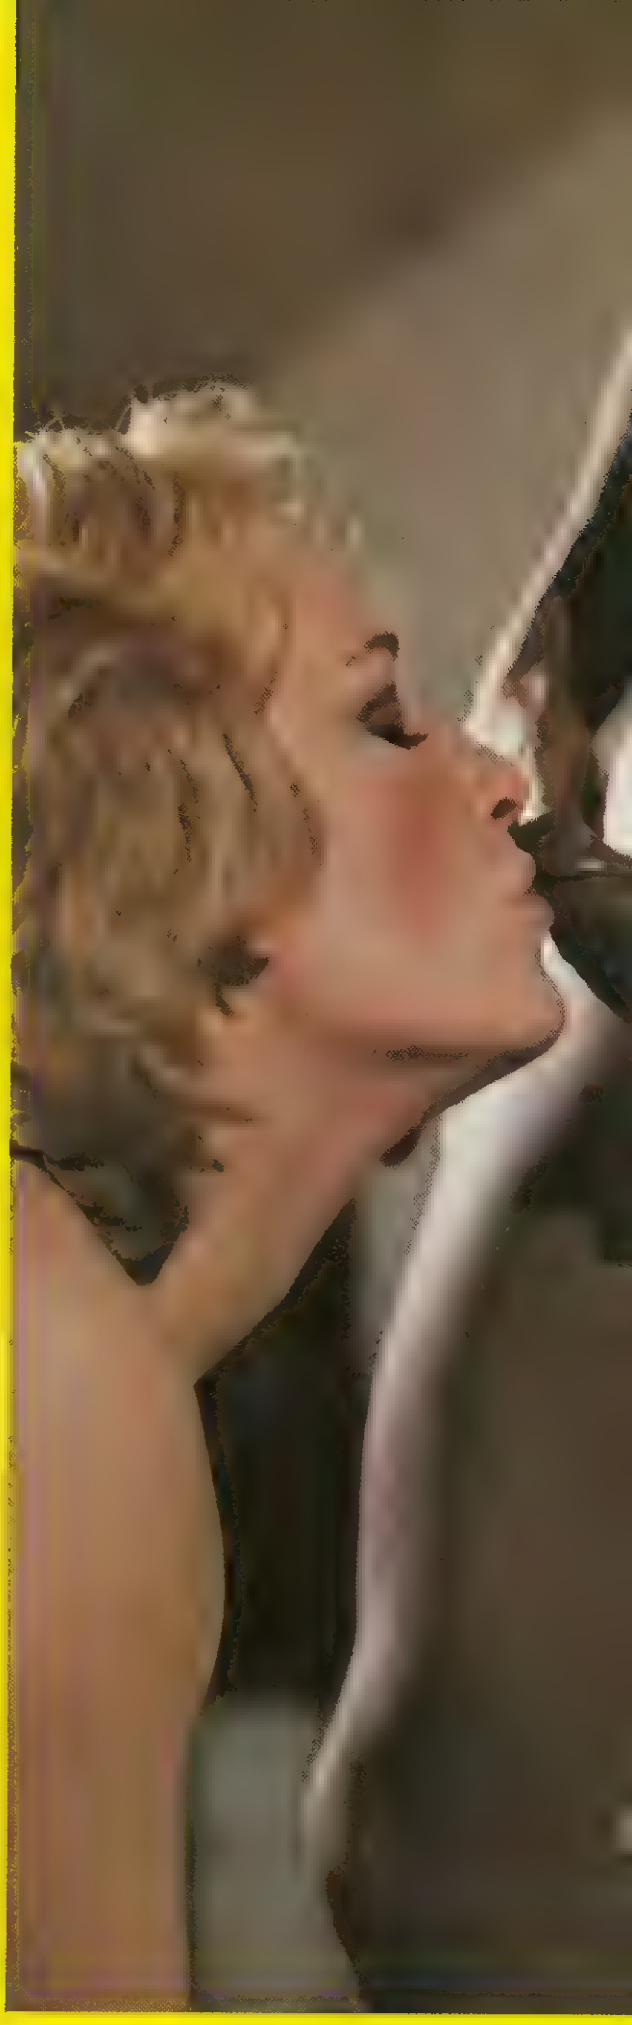
While hang-gliding, Johnny Keyes has wrenched his back. Since sexual virtuosity has been the key to Keyes' splendid success, he engages the services of a skilled private nurse, who restores his back into good fucking order in nothing flat.

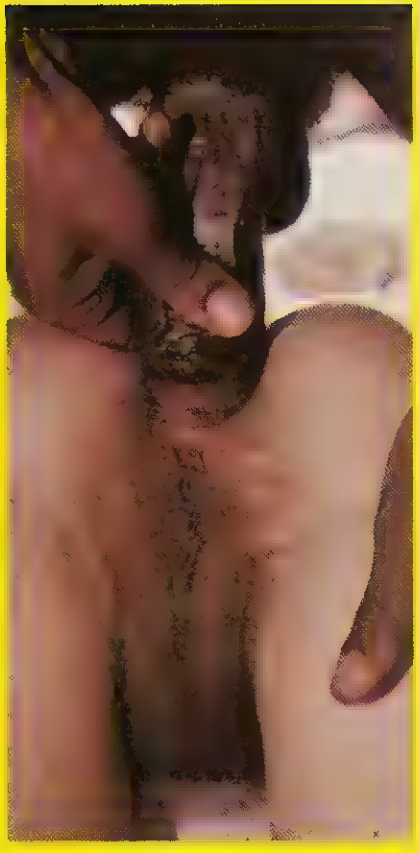
And there is nothing flat about Alicia's boobs, either. She is the proud possessor of a pair of pendulous beauties that Keyes loves to fondle and suck. They are lovers now. Keyes is about to take her into his luxurious surroundings as his one and only "old lady." But before sharing his wealth and shelter with just one woman, Keyes would like to make sure that Alicia isn't one of those cute cockhounds that drive their lovers crazy with their sexual excesses with every stud in town. While on the set as a performing porno prince, Johnny Keyes doesn't mind sticking it into anything the

director orders, if it's female. But at home, Johnny, like most men, is a one-woman man, looking for a one-man woman. When his handsome, football-playing friend, Willey "The Plow" Perkins, injures his back in a scrimmage and doesn't respond to the trainer's treatment, Keyes seizes the opportunity of helping out a friend in need and testing the fidelity of his girl friend, both at the same time.

After Alicia administers a skilled rubdown and back-cracking to Willey The Plow, Keyes comes on to his old lady, stripping them both in lightning time as Willey The Plow looks on, getting hotter and hotter as Johnny Wadd reveals her pink-tipped globes of titmeat, beneath which is a panty girdle of white to support a white satin garterbelt, which in turn supports silken stockings, all of virginal white. Her platinum-fringed pussy pouts wet-lipped into Keyes' fingers. The fact that

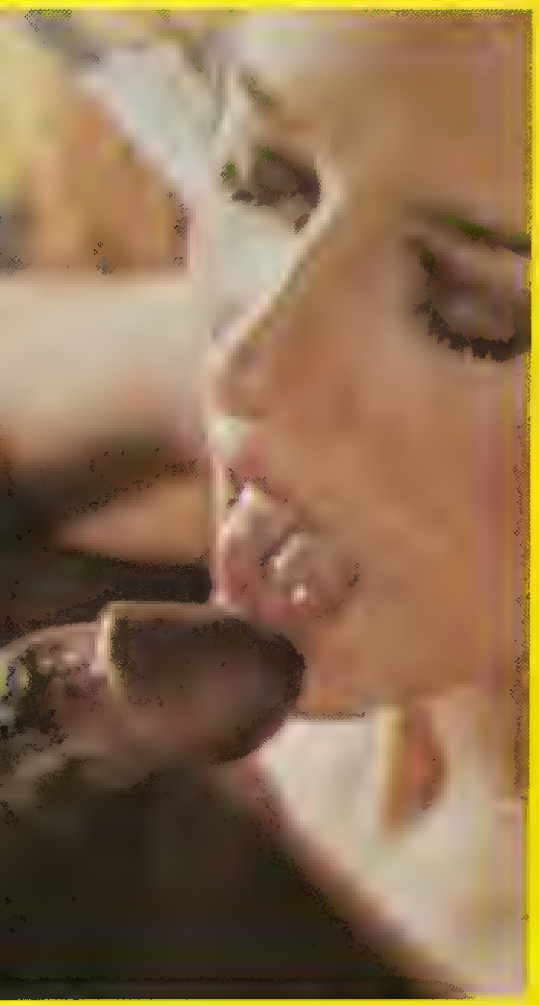


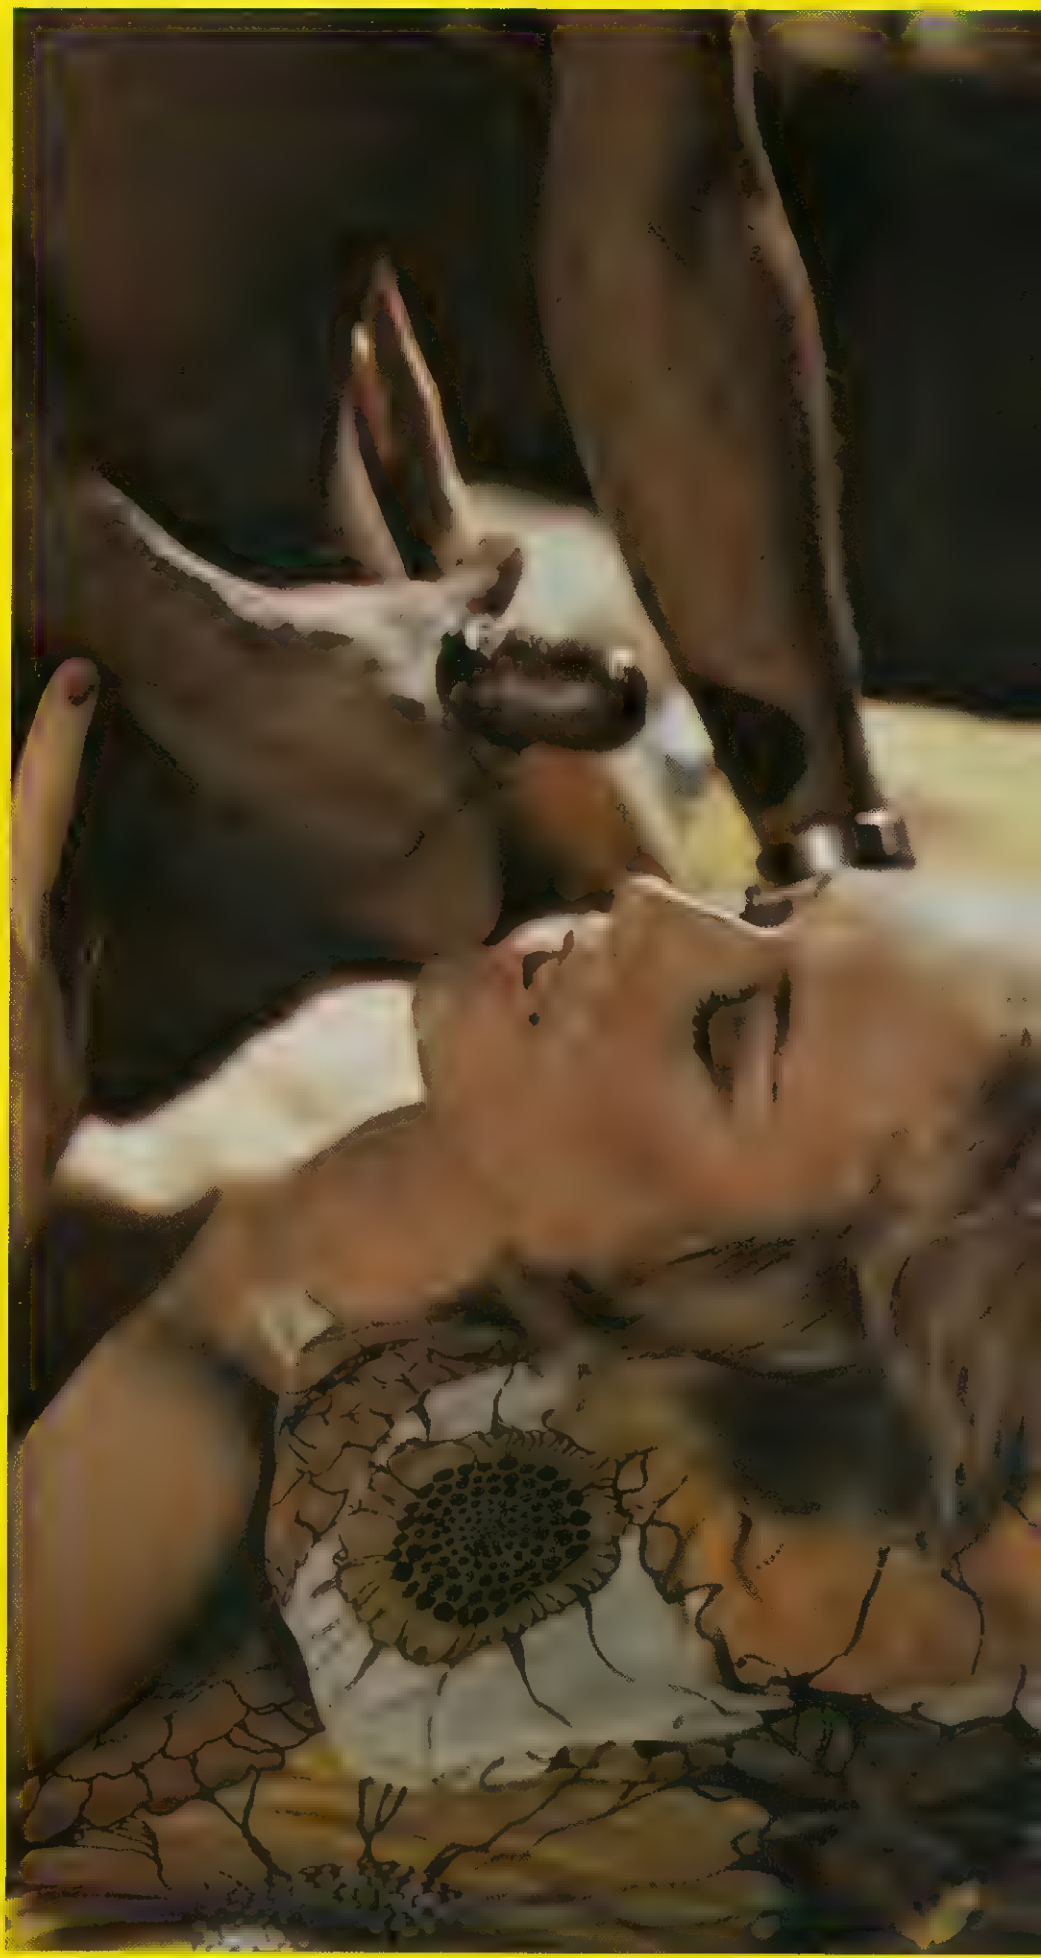




another man is around to watch her now being eaten out on the rubbing table by Johnny's circling tongue does not seem to bother the gorgeous blonde nurse in the slightest. In fact, as Keyes can readily taste in pussy juice on his tongue, the presence of a second muscular, heavily hung big black stud turns her on even more.

Nose deep in the hot bitch's searing slot, Keyes cannot see the delighted expression on Alicia's feverish face, or the gooseflesh on her neck and shoulders. But he can see his pal, the San Francisco 49'er fullback, nodding to something his potential old lady had said. Then suddenly he can see Willey The Plow digging furrows into the swanlike throat of Alicia. She is nursing on his immense power-packed prick and keeps on sucking until she draws the jizm, every milky white drop of it, into her gulping throat. By then Keyes has abandoned all plans to make the blazing hot cockhound his old lady. But his talented twat-tasting tongue does not grudge the golden girl her cunnilingual climax.





The sex does not let up once Johnny Keyes and his friend get the idea that they are with a woman who is cock crazy and capable of cuming as many times as they are able to keep it up for her.

Now that Keyes knows that Alicia is what she is, he does not hold it against her. He *moves* it *inside* her. It is not her fault that she has the morals of a cat in heat. In fact, in a way such a girl is also a good person to know, until true love comes along. After all, how many women are wild enough to provide pleasure for two such heavyweight hunks of cockmeat as Johnny and Willey. This way the two pals can hang out together, and put on a good show for each other.

It develops into kind of an athletic contest between the magnificent black males. Who can bang it deeper into Alicia's brown betty? Who can make

her scream louder and cream more copiously from the effects of his wall-to-wall cunt-climbing?

We'll tell you a secret. Neither male wins the prize as the top athlete in the encounter. Alicia takes the trophy and several jizm drenchings, hands down. Hands down on the ground supporting her weight as she spreads it out and invites Willey the Plow to give it to her good in the ass, while sucking Johnny Keyes' tree-trunk hunk.

If you like watching a woman mastering cock with the voluptuous motions of an ass that squirms like jelly, check out Alicia getting it, with nothing held back, in her tight little anus (tight only at the start), by each black wrecker in his turn, while the other shoves dick in between her lips and shoots choking cumloads under her gums.
